

## November already?

We want to thank you for helping us continue to make a difference in the fight to end human trafficking right here in Northeast Arkansas.

The work is not done - and we invite you to help us continue bringing hope to those affected by human trafficking. Here is a look at the impact we made in October, as well as how you can help us moving forward.

## Sponsor a Hope Found client for Christmas.

Help give HOPE this Christmas by sponsoring one of our sweet clients. 🎁

"Hope Found of NEA was able to partner with The Genesis Project to accompany a minor to a court hearing regarding her trafficking case. She unexpectedly had to face one of her traffickers. With both advocates' help, she was able to stay in her power and peace as well as advocate for herself to us and the prosecuting attorney."
